

*U.S. Consumer Product Safety Commission – Fast Track Recall Alert*

**Recall Date:** March 23, 2017

**Recall Number:** 17-735

**Power Adapters Sold with LectroFan Sound Machines Recalled by ASTI Due to Shock Hazard; Sold Exclusively at Amazon.com (Recall Alert)**

**Recall Summary**

**Name of Product:** LectroFan Sound Machines

**Hazard:** The casing on the power adapter can break when plugged into an electrical outlet, exposing its metal prongs, posing an electrical shock hazard.

**Remedy:** Replace

Consumers should immediately stop using the LectroFan, disconnect the power adapter and contact the firm to receive a free replacement power adapter. Consumers can continue to use the sound machine with the USB cable supplied with the LectroFan by plugging it into a computer's USB port or into another power adapter. The firm is contacting all purchasers of the recalled product directly.

**Consumer Contact:** ASTI toll-free at 866-220-7607 from 8 a.m. to 5 p.m. PT Monday through Friday, or online at [www.asticorp.com](http://www.asticorp.com) and click on Product Recalls at the bottom of the page for more information.

**Recall Details**

**Units:** About 35,000

**Description:** This recall involves power adapters sold with LectroFan sound machines. The adapter has "ASTI AC Adapter" and model number XHY050050UCC printed on the side. The LectroFans were black or white with a matching black or white power adapter. The LectroFan machines have a serial number between 3 551615 528640 and 3 551615 618639 or between 3 551636 000010 and 3 551636 285179. The serial number is printed on a label on the bottom of the machine and "LectroFan" is printed on the front. The LectroFan Sound Machine has 10 fan sounds and 10 white noise sounds.

**Incidents/Injuries:** ASTI has received three reports of power adapters breaking or pulling apart, exposing the metal prongs. No injuries have been reported.

**Sold exclusively at:** Online at Amazon.com from November 2016 through February 2017 for about \$50.

**Importer:** Adaptive Sound Technologies Inc. (ASTI), of Campbell, Calif.

**Manufactured in:** China

This recall was conducted, voluntarily by the company, under CPSC's Fast Track Recall process. Fast Track recalls are initiated by firms, who commit to work with CPSC to quickly announce the recall and remedy to protect consumers.

### About U.S. CPSC:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.
